

The months are flying by, we have our last few weeks with the children who are leaving to go to school and lots of busy events are planned. We wish them lots of luck at school and hope we see them soon in their uniform. They had beautiful graduation photos last week and if you are wanting to order these need doing as soon as possible.

The children are very busy at nursery as always with visits to the park, library and the shop; however within their individual groups they have their own focus. The babies are focusing on under the sea with lots of sensory and creative activities planned. The Tweenies are focusing on numbers, shapes and colours as they have shown a great interest in this over the last few weeks and the staff would love to see them develop further. The Tigers are focussing on the month of summer and all the wonderful summer activities and preparing for school with various role play and school challenges.

I know we live in a busy lifestyle and are rushing to make it to places on time; but please enter and exit our car park with caution. There are still a few of you who enter the car park at a high speed; it really is important to enter at a slow speed to ensure everyone is safe.

Please be reminded the week commencing 15<sup>th</sup> July is the last week for the children who attend for funding only. The funding will begin again on 2<sup>nd</sup> September. If parents are wanting to change days of attendance in the next term please let me know at your earliest convenience while we have the availability.

Please ensure you update the details on your child's 30 hours childcare account to ensure that we are able to claim the hours in September, if your child is entitled from September then please apply for this and pass on the code to me as soon as you have it, the last date the code can be passed on is 31<sup>st</sup> July.

I am away from nursery week commencing 15<sup>th</sup> July and will return Tuesday 23<sup>rd</sup> July, as always the team will be here to help and anything for my attention will be responded to on my return.

Thanks Nicole and Team x
