

# March

As always the months are flying by and we have plenty to look forward to!

We are holding a school readiness workshop on Tuesday 3<sup>rd</sup> March 6.15-7.15pm for the children who are leaving to go to school in September. The evening will begin with a discussion and then follow with a workshop style evening with staff on hand to answer any questions you may have.

We are celebrating world book day on Thursday 5<sup>th</sup> March and we welcome the children to come in dressed up as their favourite book character.

Week commencing 9<sup>th</sup> March we are raising money for sport relief, we will be taking part in lots of sport focused activities and welcome your child to come into nursery dressed in sports clothing.

This month the baby room are learning all about being in the garden, exploring in the outdoor environment looking at mini-beasts which we may find in our garden. The Tweenie group are learning about shapes, numbers and colours with special link to 'The Very Hungry Caterpillar story'. The Tiger group are learning all about animals and dinosaurs focusing on the animal's way of living.

You may have noticed some changes around nursery; we have had a nice new carpet in the baby room making this area a no shoe zone; and we have moved around some of the areas in the main room organising and enhancing the areas making it more exciting for the children!

There is also some changes to the staffing here at Silverdawn; Jenny has left to pursue a new career, Amy is also leaving to pursue a new adventure and we wish them both lots of luck for what the future brings for them; we would like you to join us to welcome Kirsty back to the Silverdawn family some of you may recognise her previous to her 3 year break from childcare, and she will be joining Jess in the Tiger group.

If any more parents could spare a few minutes to review our nursery on the <https://www.daynurseries.co.uk> website this would be greatly appreciated.

As always if you have any feedback please feel free to speak to myself or a member of the team.

Parents evening will be held on 21<sup>st</sup> and 23<sup>rd</sup> April between 6-7pm and booking forms will be available at the end of this month to book a time slot; these appointments are for all children apart from those who are going to school in September as their parents evening will be in June.

Thanks Nicole and Team ☺
